Worlds of Fun[®]

It's an All-New Star-Spangled, Screameroller Year!

Worlds of Fun '76 is 148 acres of good, clean fun! It's a place where kids can be kids. It's also a place where grown-ups can be kids. After all, you're only young twice!

And this year, there's a whole new world at Worlds of Fun called Bicentennial Square. It's a day-in, day-out celebration of America's 200th birthday. You'll love the fun at The New Funtier, Calamity Games, Uncle Sam's Skee-ball Hall, and the colossal, upside-down Screameroller ride!

Welcome from the Ambassador!

It's not just another roller coaster.

Bicentennial Square has all the atmosphere of a turn-of-the-century county fair. In our new-but-old-fashioned bandstand, you'll hear lively music performed by the Bunker Hill Boys Barbershop Quartet, John Phillip Tuba's Magnificent Minutemen and others. Worlds of Fun '76—the "funest" place to celebrate the Bicentennial.

HAVE WE GOT A DAY PLANNED FOR YOU!
